The Wee Sponsored Sleepout

This year the group has been learning about homelessness and some of the circumstances that lead people to become homeless. Each section took some time to think about how we could help and it was agreed that all sections would look to collect sponsors in relation to their sleepover activity being held on the 6th/7th of December.

Our aim is to collect £138 for each Section.

Name	Amount	Collected

Weather permitting each section will be spending some time outside using sleeping bags on a cardboard mattress.
